Getting from Here to There...

At Dana Container, we are committed to helping your company cut costs and offer our customers cost cutting measures throughout all aspects of our business. In addition to our leasing, cleaning, and maintenance services, Dana, Inc., is proud to offer transloading for our customers in an economical and efficient manner. We can transload product from liquid bulk tank trucks into any size intermediate bulk container (IBC) that your company requires. Our trained staff and customized equipment ensure the integrity of your product.

Dana offers the following IBC cleaning services:

Caustic washing
Solvent washing
Detergent washing
Steam cleaning
Final rinse certification
Valve cleaning & testing

Drying
Stripping
Painting
UN & DOT testing
Welding & repairs
Full line of parts replacement
